2. Club Organization & Responsibility

2.1 Committee

Ampara District Tennis Club (ADTC) is managed by an elected committee comprised of volunteer members. This committee oversees administrative, planning, and developmental aspects of the Club. They handle membership, funding, and day-to-day operations.

2.2 Safeguarding & Welfare

We have an extensive Safeguarding & Welfare policy. Any concerns can be addressed to our head coach. If you feel uncomfortable approaching the head coach, alternative channels are available (The advisor, the president, the secretary, the treasurer). The head coach will then relay any concerns to the ADTC Committee in accordance with our policy.

2.3 Communication

All members play an important role in the success of the Club and in maintaining high standards. If you have suggestions, comments, complaints, or compliments, please submit them through our website contact page at Contact Us. These will be reviewed by the wider committee during our monthly meetings.

We use email to keep members informed about Club matters. News, events, and other information are posted on our website: www.adtennis.lk.

If you need to contact the ADTC regarding the Terms & Conditions, you can do so via email at admin@adtennis.lk.

2.4 Membership

Upon payment of the subscription fee, members are assigned a membership number. Please remember to keep a record of your membership number for future reference, as it may be required when needed.

3. Code of Behavior

Members are required to adhere to and uphold the rules of ADTC, which will serve as guidelines in any disciplinary proceedings.

3.1 General etiquette & ground rules

- Always show respect to players on the court by waiting until a rally is finished before interrupting.
- Avoid jumping over or leaning on the net, or leaning against/pulling the side netting or fencing.
- Do not bring bicycles, scooters, skateboards, or similar equipment onto the courts.
- Keep the courts clean by refraining from leaving litter. Dispose of all litter in the on-court bins provided or in the appropriate recycling bin in the clubhouse.
- Treat the clubhouse furnishings and equipment with care to ensure their longevity.
- Maintain courteous behaviour and respect at all times; the use of foul language, violent behavior, or rudeness is not tolerated on or off the court.
- Smoking and the consumption of alcoholic beverages are strictly prohibited on the courts or in the clubhouse premises.

3.2 Safety & hygiene

Members should always prioritize the safety and hygiene of their fellow peers. If any member is suffering from a communicable disease, it is their responsibility to refrain from attending practices.

3.3 Security & valuables

Members are asked to:

- Lock gates to the courts after use
- Close and lock the clubhouse door after use.

Please avoid leaving valuables in the clubhouse or in the court premises.

Any suspicious incidents should be reported to a member of the committee.

4. Footwear & Dress Code
